

Your living space can also be customized to your desire. The resorts units range from 1000 to 2000 square feet of habitable living space.

Spacious balconies extend living possibilities outdoors where you can enjoy the tantalizing southeasterly breezes by day and gentle Caribbean breezes after the sun sets.

Then of course, there are the boundless panoramic vistas.

Flat rooftops provide ample space for additional sightseeing, with wide open, unobstructed views of the Caribbean Sea.

To the north you can see St. Eustatius and Saba, as well as other islands on clear days. To the southeast you can see our sister island Nevis.

If you prefer, you can enjoy a secluded, private sunbath, then take a dip in the Caribbean Sea.

It's all here at this resort.
